San Pablo, Lucena

April 29, 2003

Objective

Aspiring IT graduate seeking a front-end developer position where I can apply my strong technical foundation in PHP, SQL, and XAMPP to build scalable web applications. Eager to contribute my knowledge of front-end technologies like HTML, CSS, and JavaScript, while continuing to develop skills in performance optimization, debugging, and security best practices. A quick learner with a passion for collaborative problem-solving and delivering reliable, user-centric solutions.

LANGUAGE

English
Filipino

Education

Tertiary

STI College Tanauan (2021-2025)
Bachelor of Science in Information Technology

Secondary

Tanauan Institute (2019-2021)
Science, Technology, Engineering, and Mathematics
